## KEEPERS

### Naming a Franchise Keeper

1. All **Returning Owners** must visit the **ESPN site** to select **1 Keeper** from **their previous Roster** by **Mon., Aug. 14 at 8:00pm (after PreSeason Week 1)**. Any position can be named as a Keeper.
2. Any **NEW Owners** joining our League must also visit the **ESPN site** to select **1 Keeper** from **their received Team** by the **same deadline stated above**. New Owners will have their Keeper for **ONLY their first year**, even though the Keeper was not actually drafted by them in the previous year.
3. If any Owner has **not named a Keeper** before the deadline, the Co-Commissioners will then name the **highest Fantasy scoring player available from his previous season's Roster** as a Keeper.
4. If 2 or more players are **tied for the highest score**, then the first player listed on **ESPN's All Players by Points listing of the previous year** is named the Keeper.

### Keeper Limit

1. **Keepers have a 2-year limit** (1st yr acquired, 2nd yr kept) **per TEAM**, despite a NEW Owner.
2. If a Keeper is either **TRADED or ADDED BY WAIVERS to a different Owner**, the new Owner can **keep the player for the following year ONLY**. After that, the player will return to the Draft pool regardless of any further transactions. **A player can ONLY be kept by 2 Owners consecutively.**

### Keeper Draft Round Charge

1. On Draft Day, Owners will be charged **the Round his Keeper was drafted in last year's Draft** (ex. A player drafted in the 2nd Round last year will cost a 2nd Round pick this year, if named Keeper).
2. If an Owner chooses to keep a **player acquired last year via a TRADE**, the Owner will be charged based on **the Round the player was last drafted in by the previous Owner**.
3. If an Owner chooses to keep a **player from their previous Roster that went UNDRAFTED last year**, the Owner will automatically be charged a **7th Round pick**.
4. The **2017 BRAGA Franchise Keeper List** with **Draft Round charged** is as follows:

  - Carrying less than or more than a **16 player Roster**.

5. **ONLY Waiver Claims** will change the **Waiver Order**. Adds of Free Agents will not affect the **Waiver Order**.
6. All **Free Agents** will **lock** each week at **kickoff of that player's NFL game**. If an **early Thur/Sat game** has started, then **any player that HAD NOT YET played** may still be transacted up until

- kickoff of that player's Sun/Mon NFL game. BYE drops for BYE adds are ok during NFL games.
7. The **Weekly Waiver Claim period** ends every **Wed.** at **4:30am**, at which Claims will then be granted. Afterwards, all **Free Agents** will then **unlock** for "**first available**".
8. Claims will **not be granted** if the player **exceeds the roster maximum allowed** for that position.
9. Any **Dropped** player will be on Waivers during a **period of OVER 24 HOURS** and will become an available **Free Agent at 3am ONLY** after the **24 HOUR** period.
10. After **Week 13**, the Regular Season Waiver Order will be **entirely rearranged for the start of the Playoffs** (see **Playoffs**, **Playoff Waiver Order**).
